NORWICH BULLETIN, TUESDAY, MARCH 1, 1910

TOWN'S GRAND LIST, \$17,055,884

Board of Relief Makes 97 Abatements and 17 Addi-
tions, a Net Reduction of \$130,654—Largest Re-
duction Was \$100,000 at United States Finishing
Company.

On Monday the board of relief, con-
sisting of J. F. Sevin (chairman), Henry
Gebrath (clerk), and James
Blackburn, completed their work as re-
quired by law and signed their books
after having been in session 24 days.
There were 223 abatements made to the
board for abatements, but there were
but 97 reductions, amounting to \$130-
654, with the blind and soldiers
amounting to \$140,225. The net re-
duction, amounting to \$130,654, was
notified by the board. There were 17 ad-
ditions, amounting to \$9,647. Among
those who came before the board there
were six sworn and questioned, while
the board put in eight new lists to the
value of \$4,600. There were abate-
ments to the amount of \$11,071,
made necessary because of duplication
and errors.

Because they had time to go over
the property the board made a number
of small changes throughout the list
street section, which was when the
assessors revised this year. The United
States Finishing company was the
one which received the big reduction
and the \$100,000 which the assessors
put on was taken off. In doing this
the board was helped by the fact that
just and proper. The members visited
the plant and spent the good part of
the afternoon there. The new build-
ing with its machinery to be in good
